

Action Plan following the vote of becoming Affirming at Quispamsis United Church 2021

1. Set a celebration date and invite people, guest speakers who have been part of our journey, Affirm United representative, and a representative from a recently Affirming church in our community. (Harmony United Church)

2. Map out further ongoing education as zoom sessions once every two months

3. Purchase books for library and showcase them. Give a small write up on each book in announcements and announce them in service on a weekly basis.

4. Place symbol of rainbow in a visible place outside church on the Church sign.

Place flag on new flagpole on right side of sanctuary inside church.

5. Continue to teach new affirming songs.

6. Discuss our Affirming status and impact on community. How do we inform that we are now Affirming with local community- i.e., schools, youth centre, community centre?

7. Keep website updated with our ongoing commitment.

8. Keep the name of Affirming Committee and in monthly meetings discuss more ways of how we increase our visible welcome e.g. PR, advertising on social media, newspaper etc.
